## BACKGROUND AND LEGISLATION

### BACKGROUND

Codes of conduct establish standards of behaviour to be followed and define how individuals are expected to behave towards each other, towards the children in their care, and towards other organisations and individuals in the community.

The approved provider, nominated supervisor, early childhood teachers, educators and all other staff have a duty of care to the children attending the service and must ensure ‘that every reasonable precaution is taken to protect children being educated and cared for by the service from harm and from any hazard likely to cause injury’ (*National Law: Section 167*).

The *National Quality Standard* requires that all staff be respectful and ethical and that ‘professional standards guide practice, interactions and relationships’ (*National Quality Standard: 4.2 and 4.2.2*).

Employers also have a legal responsibility to provide, as far as is practicable, a safe workplace that is free from discrimination, bullying and harassment.

*Child Safe Standard 3* requires services to develop and review codes of conduct that establish clear expectations for appropriate behaviour with children including:

- how to respond to risks adults may pose to children or that children may pose to each other
- how to ensure the cultural safety of Aboriginal children and culturally and linguistically diverse children
- how to be inclusive of all children, including children with a disability.

A Code of Conduct should be informed by the service’s philosophy, beliefs and values, and based on ethical principles of mutual respect, equity and fairness. Consideration should be given to the Victorian Teaching Profession *Code of Conduct and the Code of Ethics* and to the Early Childhood Australia’s *Code of Ethics* in developing the code of conduct.

The approved provider must ensure that the nominated supervisor, early childhood teachers, educators, other staff, contractors, volunteers, students on placement, parents/guardians, children and others attending the programs and activities of DNМК adhere to the expectations outlined in the Code of Conduct when communicating to and interacting with:

- children at the service and their parents and family members
- each other
- others in the community.

**Nominated Supervisor:** A person who has been nominated by the Approved Provider of the service under Part 3 of the Act and who has consented to that nomination in writing can be the Nominated Supervisor. All services must have a Nominated Supervisor with responsibility for the service in accordance with the National Regulations. The Approved Provider must take reasonable steps to ensure that the Nominated Supervisor is a fit and proper person (in accordance with Sections 12, 13 and 14 of the National Law), with suitable skills, qualifications and experience. The Regulatory Authority must be notified if the Nominated Supervisor for the service changes, or is no longer employed at the service.

**Person with management or control:** Means— (a) if the provider or intended provider of the service is a body corporate, an officer of the body corporate within the meaning of the Corporations Act 2001 of the Commonwealth who is responsible for managing the delivery of the education and care service; or (b) if the provider of the service is an eligible association, each member of the executive committee of the association who has the responsibility, alone or with others, for managing the delivery of the education and care service; or (c) if the provider of the service is a partnership, each partner who has the responsibility, alone or with others, for managing the delivery of the education and care service; or (d) in any other case, a person who has the responsibility, alone or with others, for managing the delivery of the education and care service (Note: Under the *Education and Care Services National Law Act 2010*, Section 5).

**Person in day-to-day charge:** A person is in day-to-day charge if (a) the person is placed in day-to-day charge by the approved provider or a nominated supervisor of the education and care service after meeting the definition for a service supervisor certificate: and (b) the person consents to the placement in writing (Regulation 54)

**Policy:** A formal statement of principles which provides a framework for decision-making and indicates the course of action to be taken in specific circumstances. Policies provide services with an approved way of operating in relation to particular matters and improve the management of risk. They reflect the values and beliefs of a service, current thinking, national standards and community expectations, and are relevant in terms of current laws and regulations.

**Procedures:** The steps required to implement and comply with a policy. Procedures specify how to achieve the necessary result by outlining who does what and when. Procedures are succinct, factual and to the point, and are generally expressed as a list.

**Program:** The group/activity in which a child is enrolled and which has specific hours of attendance.

**Regulatory Authority:** see definition for the Department of Education and Training.

**Responsible Person:** The Approved Provider (if that person is an individual, and in any other case the person with management or control of the service operated by the Approved Provider) or a Nominated Supervisor or person who has been placed in day-to-day charge of the service in accordance with the National Regulations.

**Service Supervisor Certificates:** On 1st November 2016 the National Regulations were amended to expand the classes of people who may be covered by a prescribed class supervisor certificate.

The new prescribed classes are set out in regulation 238A, and include a person who is:

- ☐ *responsible for day to day management of the service, or*
- ☐ *exercising supervisory and leadership responsibilities for part of the service, or*
- ☐ *a family day care coordinator*

Certificates issued for people working in one of these roles are referred to as “*service supervisor certificates*”.

Service supervisor certificates will not be issued to a particular person. Instead they may apply to any person working at the service who has been identified by the approved provider as working in one of the above roles.

For example, if the service director is responsible for day to day management of the service, they can be covered under the service supervisor certificate. Similarly, a room leader who is responsible for supervising part of the service can also be covered by the service supervisor certificate.

With this new flexibility, most individuals do not need to apply to the regulatory authority for a supervisor certificate.

Under these arrangements, a person is covered under the service supervisor certificate and may be a nominated supervisor if:

- ☐ the approved provider identifies that they meet the definition for a service supervisor certificate and
- ☐ they give their written consent to be the nominated supervisor (required under sections 35, 44 and regulation 56).

Nominated supervisors have specific obligations under the National Law (See Nominated Supervisors above).

A person is covered and may be placed in day to day charge of the service if:

- ☐ the approved provider or the nominated supervisor identifies that they meet the definition for a service supervisor certificate and
- ☐ they give their written consent to be placed in day to day charge of the service (required under regulation 54).

These arrangements apply for centre based and family day care services, and make it easier for providers to meet the requirements to ensure that:

- ☐ for centre based services, either the approved provider, nominated supervisor or certified supervisor in day to day charge is present at the service at all times the service is educating and caring for children (section 162) and
- ☐ for family day care services, either the approved provider, nominated supervisor or a certified supervisor in day to day charge is available at all times to support family day care educators

**Staff:** Any individual (other than the Nominated Supervisor or a volunteer) employed, appointed or engaged to work in or as part of an education and care service.
