# Protective Clothing Policy

## PURPOSE

This policy aims to:

- Set out clear guidelines for parents and staff regarding appropriate clothing to be worn by children attending Bush Kinder in various weather conditions to ensure their safety and wellbeing (including a description of clothing which should not be worn)
- Provide clear guidelines regarding the change of clothes requirements for Bush Kinder participants
- Provide an appropriate mechanism for communication of the protective clothing requirements for Bush Kinder sessions to parents

## POLICY STATEMENT

### 1. Values

**DNMK** is committed to:

- Providing a safe and healthy environment for children participating in the Bush Kinder program
- Facilitating a Bush Kinder experience in a variety of (safe) weather conditions, including rain, to allow children to experience nature across as broad a spectrum as possible and without compromising the safety of the participants
- Ensuring clothing worn by children in the program allows for maximum comfort, free movement and does not obstruct the children in their activities in the Bush Kinder setting
- Facilitating communication to parents to ensure compliance with this policy

### 2. SCOPE

This policy applies to parents, staff, committee members, authorised persons, volunteers and students on placement working at **DNMK**.

### 1. BACKGROUND AND LEGISLATION

DNMK's Bush Kinder program is intended to operate across a broad spectrum of weather conditions, allowing children to experience nature and its elements across the seasons. Whatever the weather, children are encouraged to take the lead in playing, exploring and learning in a bush or natural environment.

For this reason, there are some particular clothing requirements in the Bush Kinder setting that may differ from requirements in a centre-based environment.

Relevant legislation may include but is not limited to:

- *Education and Care Services National Regulations 2011*
- *Education and Care Services National Law 2010*
- National Quality Standards, including Quality Area 2 – Children's health and safety and Quality Area 3 – Physical environment
- Occupational Health and Safety Act 2004
- Occupational Health and Safety Regulations 2007

### 4. DEFINITIONS

#### **Protective and appropriate clothing & footwear:**

It is important that Bush Kinder participants wear appropriate and protective clothing and footwear which:

- allows children to move freely and undertake activities such as climbing, balancing, running, puddle jumping
- keeps children warm and dry in cold/wet weather
- protects children from the damaging effects of the sun, UV rays in warm weather and high UV conditions.
- prevents sunburn, bites, scratches and stings. (Even in warm weather, long sleeve tops and long pants are recommended - this clothing should be loose fitting and light).

- Where possible is made from natural fabrics which allow breathability and is comfortable against the skin
- In the case of footwear, keeps feet and toes covered and has a flexible and gripped sole to allow children to climb and balance on uneven surfaces

The following table provides examples of recommended clothing, clothing which is not recommended and unacceptable clothing:

	Warm Weather	Cold Weather/Rain
Recommended	Light, loose fitting long sleeve tops and long pants, broad brimmed or legionnaires hat, closed toe shoes	Long pants, long sleeved top, beanie, waterproof gloves, thermals in very cold weather Waterproof coveralls. Layering is recommended to allow for removal of some layers when wearing waterproof coveralls if child gets warm.
Not recommended	Short sleeved tops, long (below the knees) skirts or dresses. If your child insists on wearing a skirt, then leggings or pants underneath to help prevent scratches ect. Shorts	Big bulky jumpers that may be difficult to wear under waterproof coveralls.
Unacceptable	Open toe shoes, sandals, thongs, crocs, singlet tops	Dresses and skirts. Short sleeved tops without appropriate layering. Gumboots as the only footwear option.

**Change of clothes:** All children participating in Bush Kinder are required to bring a change of clothes and footwear as these may become wet and muddy. It is recommended that the spare clothing include:

- Spare top and bottoms of appropriate thickness/weight for the weather on the day
- Spare underpants
- 2 pairs of socks
- 1 pair of gumboots (it is not recommended that gumboots are worn at all times due to the restriction of movement they impose).

**Waterproof coveralls:** Light rainproof suit worn over clothing, provided by individual families.
